GENERAL INFORMATION

SALE LOCATION:

Stockmen's West Livestock
Dickinson, ND | 701-225-8145

SALE DAY PHONE:

701-225-8145
701-260-2579 (Rusty) | 701-260-8277 (Arthur)

PRE-SALE INSPECTION:

Bulls can be viewed at Ridl Farms prior to March 3rd and at Stockmen's West thereafter. Bulls will be penned in the large pens to the south-east Saturday and Sunday and penned Monday afternoon.

HEALTH:

All bulls have been given 7 way Somnus, foot rot vaccine, Pinkeye vaccine, and Vista 5 and poured. Health papers will be furnished for bulls going out of state. All bulls selling have passed a complete breeding soundness exam and are guaranteed to be breeders.

SEMEN INTEREST:

Ridl Angus has the right to retain 1/3 semen interest in any bulls sold.

GENETIC DEFECTS:

All bulls selling are free of any known genetic defects by pedigree or test.

MAIL BIDS:

Anyone unable to attend the sale may call or send bids to any of the owners, ring men, or auctioneer.

DELIVERY:

Haul your bull home sale day and receive a 75\$ per head discount. Ridl Angus will offer free delivery on bulls within 300 miles from the farm and delivery will take place promptly after the sale. Unless other arrangements are made.

FEEDING ARRANGEMENTS:

We will "feed um till you need um" at no extra cost. Bulls returning to Ridl Farms for wintering will be handled and cared for as if they were our own but are the property of the buyer with the buyer taking all risk and responsibility promptly after the sale. Ridl Angus will not be responsible for bulls if injury occurs. Injury is an insurable risk and Ridl Angus will not be held responsible for any injury. We highly suggest insuring all bulls. Bulls wintered at Ridl Farms are to be picked up at the farm. Please call ahead to make loading arrangements.

FEED:

Bulls were feed a ration of chopped hay, 4lbs corn, 4lbs wheat midds, corn silage and mineral supplements. We strive for a 3.5lb average daily gain.

TERMS:

Bulls sell under the terms and conditions of the American Angus Association. Terms are available at www.angus.org

LUNCH:

FREE BEEF LUNCH STARTS AT 12:00

AUCTIONEER:

Seth Weishaar 605-210-1124

Cattlemen:

It is our pleasure to welcome you to our 21th annual production sale. Sale will be held Tuesday March 6th at Stockmen's West in Dickinson ND starting at 2:00 MDT (after the stock cow sale). 52 registered yearling angus bulls will be offered. Thank you to past and future customers, we look forward to working with you.

It is our goal to produce good, high volume, growthy cattle with high maternal traits and good dispositions. The bulls are raised on mother's milk and grass alone, No Creep Feed. The bulls were weaned on September 23rd and started slowly on chopped hay, corn silage, and distillers; slowly working them up to the ration listed on the next page. We don't over feed the bulls, shooting for a 3.5lb average daily gain to help insure longevity and breeding soundness.

All the yearling bulls selling have GGPLD DNA enhanced EPD's. They are freeze branded for better identification and have passed a breeding soundness exam. Again, this year we offer the same feeding arrangements we have always offered and would also like to help with delivery if you can take your bulls right away. Haul your bull home sale day and a credit of \$75 per bull will be given.

Feel free to stop out and go through the bulls at the farm until Friday March 2nd and at Stockmen's West thereafter. (Saturday and Sunday the bulls will be in the large pens to the southeast of the barn) Please call if we can be of any assistance or for more information, we look forward to showing you the bulls and talking cattle. Feel free to check out our new website, www.ridlangus.com Join us for a complimentary noon lunch on sale day.

Thanks

Ridl Angus

Driving the science of better breeding

There's little room for error in the cattle business. Producers need the most advanced information to make smart selection decisions, and Angus Genetics Inc. (AGI) provides it through genomic-enhanced expected progeny differences (GE-EPDs).

GE-EPDs have become the industry standard for herd improvement, building on decades of science-backed genetic evaluation tools originated and maintained through the American Angus Association®, home to the largest and ever-growing single-breed beef cattle database.

EPDs that traditionally contained all pedigree, performance and progeny information now also include results from available genomic, or DNA, tests. Breeders who use genomic technology give buyers access to AGI-generated GE-EPDs that provide:

Increased predictability and decreased risk for young and unproven animals due to enhanced accuracy of EPDs

Better characterization of genetics for difficult-to-measure performance traits (such as carcass traits, maternal traits and feed efficiency)

The ability to make more rapid progress for traits that are important to you, due to:

- more accurate selection
- easier identification of genetic outliers
- the ability to propagate young animals with confidence earlier in their lives

In fact, GE-EPDs on unproven animals have the same amount of accuracy as if they had recorded 8-20 calves, depending on the trait. That's valuable insight, offered regularly through the breed's weekly national cattle evaluation.

Trait	Progeny Equivalent	Trait	Progeny Equivalent
Calving Ease Direct	21	Docility	12
Birth Weight	13	Heifer Pregnancy	10
Weaning Weight	19	Mature Weight	13
Yearling Weight	22	Carcass Weight	10
Milk	14	Carcass Marbling	9
Yearling Height	11	Carcass Rib	11
Yearling Scrotal	14	Carcass Fat	12
Dry Matter Intake	18		

How do you know if EPDs are genomic-enhanced?

Ask your breeder, refer to the registration paper, or look for the AGI GE-EPD logo or those of partnering labs Zoetis (HD50K, i50K) or GeneSeek (GGP-HD, GGP-LD). These images indicate animals for which low-density or high-density genomic testing has been conducted and incorporated by AGI into GE-EPDs.

+3.0	+71	+19	+122	+0.04	+0.81	+0.014	+144.88

- Lead bull of the 2016 National Western Grand Champion Pen of Three
- Among the top 2% of the Angus population for Scrotal Circumference EPD, this top 5% sire for Residual Average Daily Gain EPD ranks top 10% for the growth traits of Weaning Weight EPD, Yearling Weight EPD and hot Carcass Weight EPD for a top 10% \$Feedlot value index along with a top 10% Rib Eye area measure EPD.
- Appearance was the lead bull in the 2016 National Western Stock Show Grand Champion Pen of Three Bulls and the \$50,000 top-

selling bull in the Frey Angus Ranch Sale in North Dakota and he balanced a birth weight of 78 pounds with an adjusted 205-day weight of 870 pounds for a weaning ratio of 105 with an adjusted 365-day weight of 1,495 pounds for a yearling ratio of 104 with an impressive adjusted yearling scrotal circumference of 40 centimeters.

- Phenotypically flawless, he is acceptable in his frame size, correct in his structure, sound in his movement to be functional on the range and in the feedlot while still siring cattle with a desirable end-product and his sire offers outcross growth genetics from Barry Young's herd in Canada and combines great performance with that pleasing appearance that is so hard to find in one animal.
- Take advantage of the production look of Appearance with his good bone, big hip and power along with a great head, smooth shoulders and that special pattern that is hard to find.
- Appearance sired the class winning pen of 3 bulls at the 2018 National Western Stock Show
- Featured at Origen Bull Stud
- Semen Available for Sale
- Owned by: Ridl Angus, Points West Angus, Frey Angus

- Roughrider was a top performing bull at Vermillion Ranch to excel on the cow having a 133 weaning ratio with 563 contemporaries and a 124 yearling ratio out of 247 contemporaries.
- Roughrider is in the top 1% for the breed for Docility at +37, top 2% of the breed for Weaning Weight EPD and \$Feedlot value index was

- a \$20,000 top-selling bull of the spring 2017 Vermillion Ranch bull sale and now ranks top 2% for Yearling Weight EPD and top 3% for Residual Average Daily Gain EPD with a top 4% \$Beef value index.
- With a three generation sire stack of Vermillion Ranch herd sires chosen from three of America's most successful Angus breeding programs, this young sire offers great potential for efficient beef production.
- Featured at Origen Bull Stud
- Semen Available for Sale
- Owned by Ridl Angus
